All accidents that occur on school premises must be officially recorded. This applies to staff, pupils and visitors. At the time of an accident visitors will be accompanied by a senior member of staff to complete any necessary paperwork.

The Headteacher reports accidents that are considered more serious, e.g where the accident requires a parent to be called and the child taken to A & E, using Surrey County Council's on-line reporting system which automatically includes the appropriate parties. The school also records them in a manual record which is kept in the school office. Bumps and bruises are recorded daily by midday supervision staff and these are reviewed termly by the Health & Safety Co-ordinator and the Senior Midday Supervisor and if it is determined that action needs to be taken to eliminate specific risks, it is.

3. Asbestos

The Headteacher and H&S Co-ordinator are responsible for Asbestos Survey Record, which is kept in the Admin Office. Contractors have sight of the survey prior to starting any work on the premises. Instruction is given to staff not to drill or affix anything to walls without first obtaining approval from Headteacher or H&S Co-ordinator, having checked the survey. Staff should report damage to asbestos materials to the H&S Coordinator. In the case of any asbestos disturbance, staff will follow the school's Emergency Plan (a copy of which is in the Headteacher's office),
