

Walsh Memorial C of E Infant School Meal Choices Form – Starting November 2021

The school dinner menu changes in November, so please can you complete a new meal choice form for your child by ticking one meal option a day (you do not need to tick the pudding).

Child's Name:..... **Class**

Special Diet/Food Allergies:

Notes

At present, our suppliers cannot guarantee that all products supplied are 100% nut free as products may be produced in premises where nuts are present.

Twelve 15 cater for 14 recognised food allergens: celery, crustaceans, dairy, egg, fish, gluten, lupin, molluscs, mustard, nut, peanut, sesame, soya, sulphites. We also support vegetarian, vegan, pork or beef free diets. If your child requires any of these diets and would like a school meal, you need to complete an online application with Twelve 15 via the following link: <https://itstwelve15.co.uk/allergies/>

Please note, that from 01 November 2021 we will be only able to serve special diet meals to those pupils whose application for special diet is processed fully and accepted by Twelve 15.

Please note that all red and green dishes are served with a selection of vegetables, unless baked beans have been specified. Gravy, BBQ sauce and custard are optional; the servery staff will ask the children whether they want them before serving them.

Please let the school office know if you wish to change your child's meal choices or if you wish to change from packed lunch to school dinners, or vice versa. Although school meals are free to the children, the school still has to pay for each meal that it orders.

Thank you for your co-operation.

Mrs Sanders & Mrs Saunders
