Literacy 	<p>Comprehension: Listen and enjoy sharing a range of books. Hold a book correctly, handle with care. Know that a book has a beginning and an end and can hold the book the right way up and turn some pages appropriately. Know that text in English is read top to bottom and left to right. Know the difference between text and illustrations. Recognise some familiar words in print, e.g., own name or advertising logos. Enjoy joining in with rhyme, songs and poems. Explain in simple terms what is happening in a picture in a familiar story. Complete a repeated refrain in a familiar rhyme, story or poem being read aloud.</p>	<p>Comprehension: Experience and respond to different types of books, e.g., story books, factual/real-world books, rhyming and non-rhyming stories, realistic and fantasy stories. Respond to ‘who’, ‘where’ ‘what’ and ‘when’ questions linked to text and illustrations. Make simple inferences to answer yes/no questions about characters’ emotions in a familiar picture book read aloud to them, with prompts. Sequence two events from a familiar story, using puppets, pictures from book or role-play.</p>	<p>Comprehension: Make a simple prediction based on the text of a straightforward story that is read aloud to them. Show understanding of some words and phrases in a story that is read aloud to them. Express a preference for a book, song or rhyme, from a limited selection. Play is influenced by experience of books (small world, role play).</p>	<p>Comprehension: Retell stories in the correct sequence, draw on language patterns of stories. With prompting, show understanding of many common words and phrases in a story that is read aloud to them. Suggest how an unfamiliar story read aloud to them might end. Give a simple opinion on a book they have read, when prompted. Recognise repetition of words or phrases in a short passage of text. Play influenced by experience of books Innovate a well-known story with support.</p>	<p>Comprehension: Correctly sequence a story or event using pictures and/or captions. Make simple, plausible suggestions about what will happen next in a book they are reading. Know the difference between different types of texts (fiction, nonfiction, poetry) Make inferences to answer a question beginning ‘Why do you think...?’ in a picture book that has been read to them, where answer is clearly signposted. Play influenced by experience of books - gestures and actions used to act out a story, event or rhyme from text or illustrations.</p>	<p>Comprehension: Play influenced by experience of books - act out stories through role play activities, using simple props (e.g. hats, masks, clothes, etc.) and appropriate vocabulary. Innovate a known story. Recall the main points in text in the correct sequence, using own words and include new vocabulary. When prompted, say whether they liked or disliked a book, and give a simple justification or make a relevant comment. With prompting, sometimes show understanding of some less familiar words and phrases in a story that is read aloud to them.</p>

Ongoing throughout the year

Link the number symbol with its cardinal number value. Count beyond ten. Compare numbers Understand the 'one more/one less than' relationship between consecutive numbers. Compare length, weight, and capacity.

Select, rotate, and manipulate shapes to develop spatial reasoning skills. Compose and decompose shapes so that children recognise a shape can have other shapes within it, just as numbers can. Continue, copy, and create repeating patterns.

<p>Understanding the World</p> 	<p>Chronology: Talk about members of their immediate family and the relationship to them. Name and describe people who are familiar to them.</p> <p>Enquiry: Describe images of familiar situations in the past using photographs of themselves as babies</p>	<p>Chronology: use the language of time when talking about past/present events in their own lives and in the lives of others including people they have learnt about through books.</p> <p>Enquiry: Find out about key historical events and why and how we celebrate today? Remembrance Day, Christmas Day,. Ask questions, use different sources to find answers including books.</p> <p>Comment on images of familiar situations in the past.</p>	<p>Chronology: Visually represent their own day on a simple timeline – use class visual timetable</p> <p>Enquiry: Talk about key roles people have in society both in the present and past –learn about Preet Chandi and learn about Florence Nightingale and Mary Seacole. Name and describe people who are familiar to them within their community e.g., police, fire service, doctors, dentist.</p>	<p>Chronology: Order experiences in relation to themselves and others, including stories.</p> <p>Enquiry: Find out about key historical events – moon landing and the last visit to space . Ask questions, use different sources to find answers including books.</p> <p>Comment on images of familiar situations in the past.</p>	<p>Chronology: Recount an event, orally, pictorial and/or with captions.</p> <p>Enquiry: Find out facts about animals and research</p>	<p>Chronology: Talk about and understand changes in their own lifetime, by creating a personal timeline. Reflect on time in EYFS</p> <p>Enquiry: Comment on images of familiar situations in the past. Describe features of objects, people, places at different times and make comparisons. Begin to develop a sense of **continuity and change** by being able *to compare and contrast characters from stories throughout the year, including figures from the past.*

Own family		Focus- Preet Chandi Florence Nightingale Mary Seacole	Mae Jemison Tim Peake	David Attenborough	Mary Anning
Respect: Themselves, special things in their own lives.	Respect: <i>Recognise that people have different beliefs and celebrate special times in different ways. Recognise some similarities and differences between life in this country and life in other countries.</i>	Respect: Understand the value of being curious and interested in finding out about people within their own community and in other countries - special places and events or objects – through non-fiction texts, stories, visitors, celebrations.	Respect: <i>Understand that some places are special to members of their community.</i>	Respect: Animals and know how to care for an animal/pets	Respect: Understand how we can look after God’s wonderful world (eco friendly)
Mapping: Talk about the features of their immediate environment with visual representations	Mapping: Use technology e.g., a BeeBot and begin to show spatial awareness. Use positional language i.e., under, beside, on top of etc.	Mapping: Program a BeeBot or instruct a friend to move along a track or small world setup in a specific direction using terms up, down, side. Identify on a map - Recognise some environments that are different to the one in which they live e.g., Antarctica. Enquiry: Use technology and IT equipment to make observations or find information about different locations and places. Recognise, know, and describe features of different places. Look closely at similarities and differences.	Mapping: Complete a simple BeeBot program using a grid map or carpet squares. Enquiry - comment and ask questions about their immediate environment, other places which are familiar to them, and places they have learnt about	Mapping: <i>Draw information from a simple map</i> and identify landmarks of our local area walk. Enquiry: Comment and ask questions about the different parts of the local community. E.g., weather, hill, house, farm, church, shop. Use photos and pictures to locate places and place on a simple map. Find out about their local area by talking to people, examining photographs, and visiting local places. Understand the key features of the life cycle of a plant or animal.	Mapping: Create own maps using grid paper and symbols (x marks the spot treasure maps) Enquiry: Recognise, know, and describe features of different places. Look closely at similarities and differences between their immediate environment and different places they have visited, learnt about through books or websites.

Communication: Comment on what they notice about the environment where they live and *understand the effect of the changing seasons on the natural world around them. Describe what they see, hear, and feel outside.*
Observation: *Explore the natural world around them* making observations and drawing pictures of animals and plants. Understand the need to respect and care for the natural environment and all living things.
