Purpose

Why is bullying harmful?

Some people think bullying is just part of growing up and a way for children to learn to stick up for themselves. But bullying can make children feel lonely, unhappy and frightened. It makes children feel unsafe and think there must be something wrong with them. They can lose confidence and may not want to go to school any more. It may make them feel ill.

What bullying is not:

Accidental

Everyday falling out with friends

Silliness

Making someone upset once

Happens only once

What you can do if you if feel you are being bullied.

- You have the right to feel safe and secure so ask the bully to STOP.
- Use eye contact and tell the bully to go away.
- Ignore them
- Walk away
- Talk to a friend
- Talk to an adult at school or home.
- Talk to an older child
